

Swedish electrical distribution box brand manufacturer

AI Overview

Key Swedish manufacturers of electrical distribution boxes include Elsteel, Centralbyggarna, Contac, and several others listed in industry directories. Notable Manufacturers

Elsteel: Specializes in modular low-voltage enclosures, distribution boards, and motor control centers. Offers flexible, sustainable solutions compatible with all breakers and designed for industrial and commercial applications.

Centralbyggarna: Produces electrical automation equipment, including low-voltage switchgear and custom control panels, with a focus on quality and project management.

Contac: Provides advanced panel assembly solutions and electrical control panels for industrial applications, including mains distribution control boxes, PLC-controlled systems, and low-voltage switchgear.

Holte (via Ahlsell): Offers construction and portable distribution boxes designed for Nordic outdoor conditions, with integrated safety features and compatibility with standard European components.

Additional Companies and Suppliers: Industry directories and B2B listings highlight other Swedish companies involved in electrical distribution, including:

- Vattenfall Eldistribution AB:** Operates extensive electricity networks and provides distribution solutions.
- DV Power:** Supplies testing equipment for electrical distribution components.
- UNITED-GRID:** Develops intelligent distribution network solutions with real-time energy management.
- PiteEnergi:** Municipal electricity distributor with renewable energy focus.
- UNPC ENERGY:** EPC company specializing in renewable energy and electrical installations.
- Garö, HM Power, JohSjö, Power Solutions, Kanthal, NKT Sweden:** Offer various electrical distribution and installation products, including low-voltage systems, automation, and industrial components.

Summary: Sweden hosts a diverse range of electrical distribution box manufacturers...
