

Turkmenistan cable tray brands

AI Overview

Key cable tray manufacturers and suppliers in Turkmenistan include Jeetmull Jaichandlall (P) Ltd., Brilltech Engineers Pvt. Ltd., and Cable House, offering a wide range of high-quality cable management solutions. Leading Cable Tray Companies

1. Jeetmull Jaichandlall (P) Ltd. This company is recognized for producing high-quality cable trays in various sizes, shapes, and colors. They focus on durable wire mesh and metal cable trays suitable for multiple industrial applications. Their manufacturing facility uses modern equipment and advanced technology to ensure compliance with industry standards, providing products that withstand heavy loads and resist wear and tear over time.
2. Brilltech Engineers Pvt. Ltd. Brilltech Engineers offers perforated, ladder, and solid-bottom cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed for enhanced safety, improved airflow, and optimal cable performance, protecting cables from physical damage, dust, and environmental hazards. They also provide installation support, system design assistance, and project consultation.
3. Cable House Established in 1983, Cable House manufactures and supplies a wide range of cable management products, including cable trays, hose clamps, cable ties, and industrial connectors. They are known for customized solutions, high durability, and reliable performance. Cable House serves both national and international markets, ensuring quality and compliance with industry standards.
