

Uruguay Custom Steel Cable Tray Price List

AI Overview

Steel cable trays in Uruguay typically range from \$2 to \$25 per meter, depending on material, type, size, and order quantity. Price Ranges and Cost Factors The cost of steel cable trays varies widely based on several factors:

- Material:** Galvanized steel is the most common and cost-effective, stainless steel is more expensive due to corrosion resistance, and aluminum is lightweight but pricier.
- Tray Type:** Ladder trays are more expensive than perforated or wire mesh trays due to higher material usage and load capacity.
- Size and Thickness:** Wider or thicker trays designed for heavy loads cost more.
- Surface Treatment:** Hot-dip galvanizing (HDG) or powder coating increases durability and price.
- Order Quantity:** Bulk orders can reduce per-meter costs by 20–40%.
- Additional Costs:** Shipping, installation, and accessories can add to the total project cost.

Typical market prices per meter range from \$2 for basic wire mesh trays to \$25 for premium stainless steel ladder trays. For large-scale projects, suppliers often provide custom quotations based on project specifications.

Local Suppliers in Uruguay

Several reputable manufacturers and suppliers operate in Uruguay, offering steel cable trays and related services:
