

# Which brand of cable tray is good

## AI Overview

Top cable tray brands include Legrand, Eaton, Atkore, Southwire, Thomas & Betts, and Snake Tray, recognized for durability, compliance, and ease of installation.

**Leading Cable Tray Brands**

- Legrand** – Offers a wide range of cable management solutions including trays, raceways, and accessories. Known for high-quality materials, global presence, and compliance with NEC and UL standards, making it suitable for commercial, industrial, and residential projects.
- Eaton (Cooper Crouse-Hinds)** – Provides industrial-grade cable trays, ladders, and raceways. Eaton emphasizes durability, safety, and long-term performance, ideal for heavy-duty applications.
- Atkore International** – Specializes in steel, aluminum, and fiberglass cable trays. Offers innovative designs, modular systems, and strong customer support, suitable for construction, industrial, and utility sectors.
- Southwire** – Known for wire and cable products, Southwire also supplies cable trays and management systems for energy, industrial, and construction applications. Their products are durable and widely used in North America.
- Thomas & Betts (ABB Group)** – Offers cable ladders, trays, and wiring ducts. Their systems are designed for industrial, commercial, and residential installations, with a focus on compliance and reliability.
- Snake Tray** – Provides innovative cable management and power distribution systems, emphasizing cost-effective installation and environmentally friendly designs. Popular in industrial and commercial projects.
- Kable Kontrol** – Offers zinc-plated steel trays with corrosion resistance and NEC approval, suitable for large-scale network, AV, and fiber optic installations.

**Factors to Consider When Choosing a Brand**

- Material & Durability:** Galvanized steel, stainless steel, aluminum, or fiberglass depending on environmental conditions.
- Compliance:** Ensure UL, NEMA, CSA, or IEC certifications for safety and code adherence.
- Load Capacity & Size:** Match tray width and depth to cable volume and weight, considering future expansion.
- Installation &...**
